Church School Begins

Sunday, September 12th

Classes are set, our teachers are preparing, the books have been ordered ...
and all we need is YOU!

Dear Parents,

Plans are underway for a terrific Church School year!

On May 14, 2021 His Eminence Metropolitan Joseph sent a directive that all church ministry programs should be reinstated, including the church school programs. We are so excited to be able to hold in person classes! Please know that we will do everything to keep our children and staff safe and healthy. Before coming to class, each staff and student will be asked to stop at the sanitizing station in the church school hallway to sanitize their hands. We are also asking that parents do not send their child to church school if they are experiencing a fever or are simply not feeling well.

We will follow and keep up with all CDC recommendations. Please understand we will continue to keep an eye on the situation. With variants of Covid-19 on the rise (Delta), we will adapt accordingly to keep everyone, especially our children, safe!

What we are planning

At this point, we are planning to fully reinstate grade level education, beginning with kindergarten through high school. At this time there will be no Preschool classes. **Due to our space limitations, all children must be pre-registered with email addresses!** Registration forms are included with this letter, at the church now, and will be available at our Open House. We must keep class sizes small in order to keep our teachers and students safe. Your child will not be allowed to attend church school if they are not PRE-REGISTERED!!! The deadline is September 12, 2021. This is the first day of Church School and our Open House. My phone number is 810-691-0956; feel free to text, call, or email me at cooeita@aol.com. I am here to answer any questions.

We will have many opportunities to learn about the theme and our Christian faith. This is in addition to the curriculum each class will be assigned. Our teachers always work very hard to prepare for and teach their class each Sunday, as well as making every effort to develop friendships among the students in their classes. We are all a part of one family–our St. George Family! The Church School works to create a family

atmosphere and to pass this on throughout the parish. We cannot do this alone! The staff and teachers need **YOU, the Parents, Godparents**, and all the rest of our St. George family!

As our programs and events are organized by our staff and parents, we will be calling on each of you to do your part. Our Church School OPEN HOUSE is on September 12th. During the OPEN HOUSE, please sign-up to help with one of the many activities we do throughout the year. We hope, and need, everyone to do their share.

May God bless you and be with you always.

Love,

V. Rev. Fr. Joseph M. Abud

Move the Church and Church School for your children up at least one-step on your list of priorities from previous years.

***Please* consider this as we start after a long 1 ½ years.**

Put the Church and Her activities first before anything else.

You will not regret it, your children will thank you for it, and you will be forever blessed by God!
