Christ is in our Midst!

He is and ever shall be!

Welcome to St. George! Thank you for attending today's Divine Services. If you are a first-time visitor, please register your visit by completing the guest book located in the narthex. We would appreciate getting to meet you after liturgy, so feel free to join us during Coffee Fellowship! Every Sunday we remember the Resurrection of our Lord and Savior Jesus Christ. The word "*Liturgy*" means *work of the people* that means everyone participates through singing, praying, hearing the teaching, and opening our hearts to allow God's grace to enter. Anyone interested in learning more about our faith are encouraged to speak with one of our clergy.

Guidelines for Receiving Holy Communion for Orthodox Christians: Orthodox Christians fully participate in the celebration of the Eucharist by receiving Holy Communion in fulfillment of Christ's command *to eat His Body and drink His Blood*. In order to be properly prepared to receive Holy Communion, the faithful should fast (no food or drink from midnight the night before), the Sacrament of Confession (7 years and older) within the last 2 months, being at peace with others, and striving to always love God and their neighbor. Frequent communion and regular confession are recommended for all faithful Orthodox Christians.

For other Christians: We welcome you to this celebration of the Divine Liturgy. Unfortunately, we cannot extend to you a general invitation to receive Holy Communion. Orthodox Christians believe that the Eucharist is an action of the celebrating community signifying a oneness in faith, life, and worship of our community. Reception of the Eucharist by Christians not fully united with us would imply a oneness which does not yet exist, but for which we must all pray. All, however, are welcome to partake of the blessed bread (*antidoron*) which will be given when coming forward to venerate (kiss) the Holy Cross and receive the final blessing from the priest. Again, welcome!

CAMP ST. GEORGE SUMMER CAMP Like the program at the Antiochian Village, Camp St. George serves young people ages 9-17 who come from parishes throughout our Midwest Diocese (mostly the western part). After not meeting last year, they are hoping to bring Camp St. George back in 2024. But they need help. The most critical component in making it happen is sufficient staffing, particularly counselors. Will you consider being a candidate? Applicants should be at least 18 years old, have a solid grounding in the Orthodox Faith, and be regular in Church attendance. They also need to exhibit patience while leading children in a faith-based, natural environment. Staff applications will be available at CSGlowa.org soon. Some details: Camp St. George meets June 30-July 6, 2024 at Camp Ewalu near Strawberry Point, Iowa. Staff arrive two days prior for training. For more information or questions, contact Camp Director Fr. Fred Shaheen at shaheenf@hotmail.com.

The Sanctity of the Seal of Confession

~ Opening the Doors to Repentance

by Abbot Tryphon, head of All-Merciful Savior Monastery on Vashon Island, Washington

In the Orthodox Church, the seal of confession is absolute, and there is no situation that will allow for the revelation of anything said in confession. That said, if there is a case in which a priest hears a very serious confession, one that could become a police issue, the confessor must explain to the penitent that this must be brought before the authorities. If he meets with refusal, the priest should explain that he is not supposed to give absolution for that sin.

Confession is between God, Who is quick to forgive, and the penitent, with the priest as the witness, as well as the mediator by which absolution is bestowed. Without repentance, there is no salvation, and any priest who would endanger the integrity of the Sacrament of Confession by breaking the seal of confession, exposes himself to the possibility of being deposed from the priesthood, and excommunicated. In Imperial Russia, a cleric who violated the seal was liable to the civil courts and subject to the death penalty!

Refusing to pronounce absolution without the penitent agreeing to report himself/herself to the authorities, is really the only approach that a priest can take, without burdening himself with the knowledge that the molestation of either a spouse, or a child, will continue, or that a murderer will not pay the price for his crime.

The Church's strict insistence on the sanctity of the Seal of Confession has been handed down from Apostolic times, and is imperative because it keeps open the doors of repentance to so many people who would otherwise fear going to confession, lest their sins become common knowledge. Yet the penitent must also be made aware that an important part of repenting of one's sins, is the willingness to embrace the consequences under the law.
